PPL SUMMER PROGRAM 2025

Guidelines:

- ❖ All of the sessions begin at 10:00 am – 12:30 pm on Wednesdays beginning the week of June 18th, 2025 – July 9th, 2025
- ❖ We will begin the sessions at the Old Church Building -The big white building across the road from the library. From there we may utilize the school playground and the school outdoor classroom. Then lunch.
- ❖ Our lineup includes 4 sessions with each one having a different focus. The first one is reading with a choice of book to take home (See program) followed by Math/architecture, Art/gardening and lastly science. All include enjoyable activities.
- ❖ We could get messy so please wear clothes that are washable. We suggest that you do not wear your best outfits or white clothing. If you have an art apron it may be helpful too. Also, many of the activities will be outside so please check the weather and dress accordingly.
- ❖ Our vision for this Summer Program is for your children to enjoy the projects with you as their helper, guide and cheerleader. This works really well if you make your own project too. The children find your efforts delightful, and they often give great suggestions. We invite you to sit with your children and participate in listening to the stories as well as creating your own works of art with them. We love to see everyone taking something home with them.

Lunch will be at 11.45am PIZZA FROM THE GREENHOUSE VAN. YUM

We look forward to seeing you. Happy Summer. Chris and Sue
